**Text 1**

Every summer, Mindy looked forward to vacationing on the beautiful island of Hawaii. While staying there, she would spend time with her grandparents in the corn fields and pick some seaweed with her cousins. One activity she absolutely loved was crabbing. She would ask her grandparents to take her out every evening, so she could practice her crab catching skills. Mindy was so eager to crab that she snuck out one night while her grandparents were sleeping. She grabbed her flashlight and rushed to the beach. Soon after, she made a loud cry because a huge black crab was holding onto her right toe. It hurt a lot. After this experience, she never sneaked out of her house ever again.

77. What did Mindy enjoy doing during her summer vacations in Hawaii?
1. Swimming in the ocean
  2. Exploring the rainforests
  3. Visiting her grandparents in the corn fields
  4. Collecting seashells on the beach

78. What was Mindy's favorite activity in Hawaii?
1. Surfing
  2. Seaweed picking
  3. Exploring caves

Popsicles

Do you like popsicles? Did you know they were invented by a kid? Not only were they invented by a kid, but it happened by accident. One night in 1905, an 11-year-old boy from California named Frank Epperson made a drink for himself by stirring some soda water with a cup of water. Later, he left the drink outside and went to bed. With the stick still inside the cup, the drink froze during the cold night. When Frank woke up, he had a frozen drink on a stick. Frank continued to make them for others and later started selling them. He called them *epsicles*. Later, it was changed to popsicles. As you know, popsicles are still very popular today. I have a favorite hobby that brings me joy and relaxation. It is gardening. I enjoy spending time outdoors, tending to my plants and flowers. In my garden, I grow a variety of colorful flowers such as roses, daisies, and sunflowers. I also have a small vegetable patch where I grow tomatoes, lettuce, and peppers. It gives me great satisfaction to see these plants thrive and grow under my care.

Gardening not only provides me with a peaceful and serene environment, but it also allows me to connect with nature. I love feeling the soil in my hands and watching the plants blossom. It brings a sense of accomplishment and fulfillment to see the fruits of my labor.

Additionally, gardening is a great way to relieve stress. Whenever I feel overwhelmed or tired, I find solace in my garden. It allows me to escape from the hustle and bustle of daily life and find tranquility in the beauty of nature.

I also enjoy sharing my gardening experiences with others. I often invite friends and family to visit my garden and take pleasure in showing them the different plants and flowers. It brings me happiness to see their faces light up with admiration.

Overall, gardening is a hobby that brings me immense joy and contentment. It not only allows me to create a beautiful and peaceful space but also helps me unwind and connect with nature. I am grateful for the opportunity to nurture and care for my garden, and it will always remain my favorite hobby.
